

ABOUT THE COMPANY

At **MR&T Advisory**, I provide pragmatic, commercially focused legal support to businesses at all stages of growth. Whether you are scaling up, entering strategic collaborations, or navigating complex agreements, I help you manage legal risks while keeping your business objectives in focus.

With 20+ years of legal experience, including leading in-house legal teams at Imperial College London and the Carbon Trust, I understand the challenges of balancing legal compliance with commercial success.

WHY CHOOSE MR&T ADVISORY?

COST-EFFECTIVE LEGAL EXPERTISE

High-quality legal support at a fraction of the cost of traditional law firms, ensuring value for money for SMEs and non-profits. I take a flexible and open-minded approach to fees and I am happy to discuss a pricing model that aligns with your specific needs and budget.

FLEXIBLE & SCALABLE SUPPORT

Based in London, UK, I provide legal services to businesses locally and internationally. Work directly with me and access my professional network for complex, cross-border, or specialist matters. Achieving business goals often requires a team effort and I can help assemble the right team.

HOW I CAN HELP

COMMERCIAL AGREEMENTS AND TERMS OF TRADE

- Confidentiality and Exclusivity Agreements, Memoranda of Understanding
- Products and Services Supply Agreements/ Terms and Conditions for the sale of products and services to consumers and businesses
- Research and Development Agreements
- Technology, IP, and Software Licensing Agreements
- Consultancy Agreements
- Sponsorship Agreements
- Material Transfer Agreements
- Master Services Agreements with CROs
- Agreements for the acquisitions and transfers of assets such as IP and equipment

INTELLECTUAL PROPERTY (IP) STRATEGY AND TRANSACTIONS

- Advising on broader IP strategy and commercialisation
- Drafting IP ownership and related provisions in contracts
- Assisting with IP transfers and licensing agreements

Note: I do not handle IP registrations but can collaborate with specialists where needed.

STRATEGIC AGREEMENTS

- Collaboration and Partnership Agreements
- Strategic Alliances and Joint Ventures
- Transfers of businesses

Note: While I advise on a wide range of commercial and corporate transactions, I do not provide guidance on seed capital or funding rounds, including EIS/SEIS compliance. However, I can collaborate with or refer you to specialists in these areas if needed.

COMPLIANCE WITH

- Data protection laws
- Equality law
- Consumer protection requirements

GOVERNANCE

- Creating policies and procedures for smooth business operations (e.g. policies for managing conflicts of interest, IP ownership, data protection)

EXIT STRATEGIES

- Advising on potential mergers or acquisitions

IN-HOUSE CONTRACTING PROCESSES

- Creating sustainable contracting processes and building in-house legal teams fit for your organisation

GENERAL COUNSEL SERVICES

- Providing General Counsel services on a retainer or ad hoc basis (e.g. where hiring a full-time in-house lawyer is not practical or affordable)
